

# RAPID RETROFIT

RAISE YOUR REVENUES by selling...

**RAPID RETROFIT** – Neon-to-LED Retrofit Made Simple

GTO & Conduit remain in place  
with VenBrite LED System.

- Reuse GTO wire & conduit when converting neon to LED, a series-wired VenBrite exclusive.
- Labor and material savings can reduce overall retrofit costs by 30% or more.
- Recognized as alternate construction by UL for LED conversion.

Call 800-510-5400 to discuss your retrofit application.
